SECTION D - SURVEYOR, ENGINEER, OR ARCHITECT CERTIFICATION (CONTINUED)

Copy both sides of this Elevation Certificate for (1) community official, (2) insurance agent/company, and (3) building owner.

Comments Because this residence is located within Zone A, the elevations are relative to the arbitrary base flood elevation located in B9. This was determined by Yavapai County Flood Control District. This building is on a fill pad which is larger than the structure, so the LAG and HAG are taken from pre-construction existing ground. The lowest equipment servicing the building is the electric box; the elevation is taken at the bottom of the box. The A/C unit is on roof.
