Subject: As-Built Certification for APN: 304-04-294A

Dear Ms. Wilson:

In my professional opinion, construction of the home foundation on the referenced parcel has been completed in substantial conformance with the construction plans sealed on 5/29/07. My professional opinion is based, in part, upon ongoing site inspections and as-built field measurements of design elevations. The rendering of this opinion in no way relieves any other party from meeting requirements imposed by the construction plans or commonly accepted industry standards.

Sincerely,

Davin Benner, P. E.
