Dear Mr. Jungen:

We refer to the drainage Memo developed by SEC dated 4/03/2019.

We have reviewed the work completed by the client and the modifications. Based on the progress reports provided by the client; in my professional opinion and to the best of my ability, the improvements have been completed in substantial conformance with the specifications outlined in the memo. It is our opinion that the work meets the intent of the design.

Please feel free to contact me at 928-634-5889 or kjinige@sec-landmgt.com if I can be of further assistance.

Thank you!
