SECTION D

PARCEL NO. 407-19-002T

OWNER: Bart Whiles
10227 N. 39th AV
Phoenix, AZ 85051

This residence is under construction. Only the lower floor is has been constructed at this time (05/29/07). The lower floor is a slab on grade with CMU stem walls extending to the upper floor level. The stem walls are currently being backfilled to the upper floor level. After the completion of the backfill, footings and the slab for the upper floor will be constructed. The building diagram number refers to the completed building and not just the lower floor. The LAG and HAG refer only to the lower floor. This ELEVATION CERTIFICATE is being submitted prior to completion of construction so the construction loan institution will release funds to the contractor for the work completed.
