Re: FLOODPLAIN ELEVATIONS
APN 407-29-021
Portions of Section 26 T16N-R4E

Ms. Troxell;

With regards to the elevations of the existing dwellings on your property, please be aware that due to a lack of accessibility to required fixtures on one of the dwellings and the uncooperative responses we received from you, we officially terminated our agreement to perform surveying services for you on June 10, 2008, during our phone conversation. I also explained that we would not be charging you for any work performed.

Although we had invested considerable field and office time towards completing the job, any information shared between JDS Associates and Yavapai County Flood Control District was preliminary in nature and was not considered as finalized. That being said, any documents furnished to Yavapai County Flood Control District regarding this matter **ARE NULL AND VOID.**

We suggest another surveying firm may be able to help you in this matter.

Respectfully submitted,

Jody A. Stone, RLS
