

**NOTES TO USERS**

This map is for use in administering the National Flood Insurance Program. It does not necessarily depict the actual water levels to be expected from the maximum probable flood. This information is intended to be used for purposes of determining potential flood insurance coverage.

To obtain more detailed information in areas where Base Flood Elevations are shown, refer to the Flood Profile and Floodway Data and/or Summary of Damaged Structures data contained within the Flood Insurance Study (FIS) report for the community. This FIS report should be available for review at the local office of the Federal Emergency Management Agency. These FIS reports are available for review at the following locations:

**Local Office:** Federal Emergency Management Agency, 1000 North Central Expressway, Suite 1000, Phoenix, AZ 85004. For more information, call (602) 972-2227.
