

NOTES TO USERS

This map is for use in administering the National Flood Insurance Program. It does not constitute a warranty of flood insurance. Flood insurance is provided by the Federal Insurance Company of New York. Flood insurance is provided by the Federal Insurance Company of New York.

To obtain more detailed information in areas where **Base Flood Elevations** are shown, contact the Flood Insurance Study (FIS) report for the community. The FIS report should be available at the community's local government office. The FIS report should be available at the community's local government office.

Special Flood Hazard Areas shown on this map are based on the best available data at the time of publication. Because changes due to construction or development may have occurred since the best available data were used, map users should consult appropriate community officials to verify current corporate locations.

Please refer to the appropriate **Map Index** for an outline map of the county showing the extent of map coverage. Map coverage is shown by county and listing of communities with corresponding National Flood Insurance Program zone for each community as well as a listing of the panels on which each community is located.

Contact the **FEMA Map Service Center** at 1-800-368-5848 for information on available products associated with the FIS. Available products may include preliminary hazard maps of Map Change or Flood Insurance Study report, and/or digital versions of the map. The FEMA Map Service Center may be reached by fax at 1-800-368-5848 or by e-mail at mapinfo@fema.gov.

If you have questions about this map or questions concerning the National Flood Insurance Program in general, please call 1-877-FEMA-1 (1-877-368-5847) or visit the FEMA website (www.fema.gov).

LEGEND

SPECIAL FLOOD HAZARD SUBJECT TO MODIFICATION BY THE NATIONAL FLOOD INSURANCE PROGRAM

ZONE A
Base Flood Elevation (BFE) Areas
Flood depths of 1 to 3 feet usually cause only property loss. Flood insurance is required.

ZONE X
Special Flood Hazard Areas
Flood depths of 4 to 6 feet usually cause structural damage. Flood insurance is required.

UNDEVELOPED
Unincorporated Areas
Areas not shown on this map are based on the best available data at the time of publication. Because changes due to construction or development may have occurred since the best available data were used, map users should consult appropriate community officials to verify current corporate locations.
